

Information and Communication Technology (ICT) Integration in Education Award

Purpose of the award

This award recognizes an educator who has made exemplary contributions to the implementation and use of ICT in Kenyan secondary schools through integration in school curriculum.

This Award recognizes secondary schools teachers who have left a mark in use of ICT to enhance teaching and learning through ICT integration. These teachers are the 'Master Integrators' who know and understand the contribution ICT can make in enhancing teaching and learning.

Eligibility

Any full-time educator or administrator employed by an educational institution in Kenya, whose primary job responsibility is teaching at secondary school level.

This award targets secondary school teachers. The award seeks to recognize teachers in all 12 subjects offered at secondary level. Out of the subject awards, 3 best examples will be selected for top awards.

Nomination and selection process

Only one nomination will be accepted from a Kenyan school, Associations, Individuals, Ministry and other stakeholders. The ICT Integration in Education Award Committee will select a winner from the nominations received according to the scoring criteria provided online at www.icwe.co.ke/elearn2010

The nomination must be submitted with the following:

1. Official Nomination Cover Form for Information and Communication Technology (ICT) Integration in Education Award and Nomination Statement that describes the nominee's work.
2. **Supporting evidence**-You MUST submit at least **two pieces** evidence to support nomination.

Award Presentation

The award winner will be announced at the **Regional Educators Conference in E-Learning** to be held at Kenya Institute of Education, Nairobi on 29th – 31st March 2010.
