Fare thee well Evelyn Rono

- I join with so many others who knew Evelyn Rono in offering our Ministry's deepest sympathy on her demise. Although it is little consolation at this sad time, it should be of some satisfaction to know that in her passing you can celebrate the end of a very productive life that leaves behind a legacy in our ICT sector. The measure of a life well-lived is not in how much money one has or what possessions they have accumulated, but rather through the lives they touched and the sorrow they leave behind. If the outpouring of sympathy on her loss in this list is any indication, and it most certainly is, you can proudly and confidently say that hers indeed was a life well-lived. May the immediate family and wider ICT family find peace and comfort in knowing that her loss is felt by all who knew and loved her. In Sympathy.---**Bitange Ndemo.**
