

Information Communication Technology Association of Kenya

IMPROVING LIVES THROUGH ICT

The 2nd International Conference on Emerging and Future Information Communication Technologies (ICEFICT)

“Beyond connectivity: Sustainability through Innovation”

Invitation and Call for Papers

The Program Committee is pleased to invite you to participate in the **2nd International Conference on Emerging and Future Technologies (ICEFICT)**. ICEFICT presents an excellent opportunity to academics, researchers and practitioners to showcase cutting edge research, innovative solutions and pioneering practice in the ICT arena.

This major conference will be held on **June 11th and 12th 2014** in Nairobi. This year’s theme “Beyond connectivity: Sustainability through Innovation” provides an opportunity for deeper reflection on emerging technology trends and how they can appropriately contribute to better standards in various domains of interest. Accepted research papers will be presented at the conference and published in a peer reviewed journal. Accordingly, the Conference Committee invites papers based on topics relevant to but not limited to the following thematic areas:

- Innovative applications
- IT Enabled Services
- Business Intelligence
- E-Health and M-Health
- E-Commerce and M-Commerce
- Indigenous and Local Content
- Digital life (Digital Libraries, infrastructure, services and platforms)
- Mobile technologies
- Cloud Computing
- ICT Policy and governance
- E-Learning and M-Learning
- Network theory and technologies
- Contemporary Issues In ICT
- E-Participation and Social media
- Mobile Money
- E-Government and M-Government
- ICT and Agriculture
- Systems security
- Open source technologies

Pre-conference Research Seminar (June 9th and 10th, 2014)

There will be a pre-conference research seminar facilitated by key experienced researchers and academic leaders. This seminar is specifically tailored to meet the needs of Post graduate scholars and individuals in various fields who wish to sharpen their research acumen. Current and prospective PhD candidates are particularly advised to submit their abstracts, concept papers or work in progress in advance for expert review by field specialists. Participants will receive individual feedback during the pre-conference workshop. Pre-conference Seminar Charges are **Ksh 20,000/US \$250**.
