PUBLIC NOTICE

The Information and Communication Technology (ICT) Authority is a State Corporation established in August 2013 under the Ministry of ICT, Innovation & Youth Affairs.

The Authority's broad mandate entails setting and enforcing ICT Standards and guidelines for Human Resource, Infrastructure, Processes & Systems and Technology for the Public Service.

The Authority has embarked on developing a Standard for Fiber Optic-Backbone, Metro and Last Mile Infrastructure. The Draft Standard can be accessed on: **<https://www.icta.go.ke>**

In accordance with the Constitution of Kenya of Kenya 2010 Article 1(1-4), the ICT Authority invites all members of the public to submit their representations, views or submissions on the Draft Standard through written Memoranda.

This should not later than **Friday, 15th October 2021 at 12:00 Noon** through Email addresses: **standards@ict.go.ke** or through the physical addresses below:

The Chief Executive Officer

The ICT Authority,
Teleposta Towers, 12th Floor,
